Dear Admiral Turner

The events surrounding my retirement have been so eventful that I have had to catch my breath before sitting down to thank you for the manner in which you headed the Awards Ceremony on February 18, 1980. Your kind words were deeply appreciated and the fact that you included my family in the festivities made it even more meaningful.

feel.
I have written individual notes to [redacted] and John McNamee but
I feel I had to thank you personally for
your support as well as your warmth. The
photograph taken in your office of Judge Webster
[redacted] and myself will command a most
distinguished position wherever I locate. It is
a picture I will be very proud of. As a
matter of fact, I sent a copy to Judge Webster
suggesting he display it in his office as
eloquent testimony to the outstanding relationship
between the CIA and FBI. Sincerely [redacted]
